

Public Disclosure of Forms 990, 990-T and Other Documents

Tax-exempt organizations are required to make certain returns and documents available for public inspection during normal business hours at the organization's principal office and regional or district offices having three or more employees. Regional offices that only provide an exempt service and do not have administrative or management staffs are excluded. If the organization does not have a permanent office, it may arrange for inspection within a reasonable time at a reasonable location of its choice *or* it may mail the documents within two weeks to the requester. There are additional special rules for chapters covered by a group exemption letter.

The following summarizes the required disclosures:

- Tax exempt organizations must make their three most recent Annual Information Returns, Forms 990, available for public inspection. Private Foundations and Section 527 Political Organizations must make their entire Form 990-PF/990, with all schedules available for inspection. All other organizations are allowed to omit the names and addresses of contributors from the Schedule B list of contributors. Note that Schedule B is not deleted from the public inspection copy: it will include the amounts of cash contributions reported and descriptions of non-cash contributions—it will only have the names and addresses left off.
- **Recent passage of the Pension Protection Act of 2006 now requires that Section 501(c)(3) organizations must disclose unrelated business income tax returns, Forms 990-T, and make them available for public inspection. This provision is effective for returns filed after the date of enactment, August 17, 2006. The rule for organizations exempt under sections other than 501(c)(3) has not changed. Non-section 501(c)(3) organizations are not required to disclose Form 990-T.**
- In addition to the annual tax filings noted above, the organization's exemption application (including all schedules, IRS correspondence and determination letter) must also be available. There is an exclusion for exemption applications filed before July 15, 1987 if the organization does not have the application.

Organizations must provide copies of all or any part of the above listed documents to any person who requests them in person or in writing. The organization may charge only a "reasonable" fee for reproduction and the actual postage for mailing of the documents. "Reasonable" charges for reproduction are currently \$1.00 for the first page and \$0.15 for each additional page—the same amount that the IRS currently charges for document requests.

Generally, with regards to in-person requests, copies must be provided within the same day; written requests must be honored within 30 days unless the organization requests payment in advance for reproduction and mailing. In that case, copies must be mailed within 30 days of receipt of payment.

Exception: Documents do not have to be provided to requesters if they are made available (and downloadable) on an Internet website. The organization must notify parties requesting documents that they are available on the website and include the website address. The rules for Internet posting are fairly exacting—please contact us if you want further information or assistance in posting your organization's documents. Other methods for making documents widely available may be prescribed by the IRS Commissioner in the future.

If an organization receives requests as part of an harassment campaign, it does not have to comply with the requests. The IRS District Director for the organization's Key District determines if there is such a campaign.

Penalties:

There is a \$20 per day penalty for not complying with the public disclosure requirements up to a maximum of \$10,000 *per return* (there is no limitation for failure to comply with the disclosure requirements for exemption applications). No penalty will be imposed if the failure is due to reasonable cause. Willful failure to comply with the disclosure rules carries an additional penalty of \$5,000.

BDO Seidman would be happy to answer any questions you might have about this important and complex set of regulations.
