

NWF's Regional Offices and Affiliates

NWF's Natural Resource Centers

From our Natural Resource Centers, NWF runs on-the-ground projects to protect wildlife and wild places and educates citizens about conservation issues across North America.

NWF's Affiliates

NWF's affiliates are autonomous, grassroots organizations, concerned with conserving natural resources. Affiliates establish NWF conservation policy and elect NWF officers. They bring diversity, advocacy skills and a passion for safeguarding wildlife and wild places, greatly enhancing NWF's ability to achieve common conservation goals.
