BRANCH OUT FOR WILDLIFE DURING NATIONAL WILDLIFE WEEK, MARCH EIGHTEENTH TO TWENTY-FOURTH. CELEBRATING ITS SEVENTY-FIFTH ANNIVERSARY, NATIONAL WILDLIFE WEEK IS A GREAT OPPORTUNITY TO CELEBRATE WILDLIFE AND WILD PLACES ACROSS THE COUNTRY. THIS YEAR NATIONAL WILDLIFE FEDERATION IS HIGHLIGHTING THE IMPORTANT CONNECTIONS BETWEEN WILDLIFE, HUMANS AND TREES. TREES ARE A CRITICAL RESOURCE FOR ALL OF US AND FUTURE GENERATIONS. DURING NATIONAL WILDLIFE WEEK NATIONAL WILDLIFE FEDERATION IS SEEKING TO PLANT SEVENTY-FIVE THOUSAND TREES. ALL TREES WILL BE NATIVE TO WHERE THEY ARE BEING PLANTED AND WILL BE PLANTED BY CHILDREN. YOU CAN HELP BY DONATING FUNDS TO SUPPORT GIVING TREES TO YOUTH GROUPS AND SCHOOLS TO PLANT OR YOU CAN ORGANIZE A TREE PLANTING IN YOUR COMMUNITY. VISIT THE NATIONAL WILDLIFE WEEK WEBISTE TO LEARN MORE AND TO DO YOUR PART TO BRANCH OUT FOR WILDLIFE AND ENSURE WE HAVE A CLEANER AND BRIGHTER FUTURE.
