Bus Idling Survey:

Record the number of buses at the school and how long they idle during both the morning drop off of students and the afternoon pick up of students. Total results for combined minutes of idling during a school day.

Bus Number	Minutes Idling – AM (dropping students off)	Minutes Idling – PM (picking students up)
Ex: Bus 123	10 minutes	15 minutes
TOTAL:		

Use this data to talk to a) the school administrator; b) the school bus drivers; and c) your parents.
