- Magnifying glass
- Crayons, markers, and paper
- Disposable camera
- Bug catcher
- Butterfly net

FOR PARENTS

- Portable crib
- Hat/visor
- Kid-safe bug spray
- Sunscreen
- First-aid kit
- Ground cover/tarp
- Flashlight
- Lantern

Packing Tips

Sort and pack each of your children's clothes within individual small plastic grocery bags. This way you can grab a bag in the morning and have a full set of clothes for the day, and at night you can stuff the dirty ones in the plastic bag.

Pack layers. Dress kids in several layers, which can be peeled off as they get warm or added on as they cool off.
