

# Schoolyard Habitats<sup>®</sup> Action Plan

What is the problem/issue needing improvement and why is it a problem/in need of improvement?

How is it impacting people, the school, the economy and/or the environment?

What action(s) will we take?

How will we persuade people at school to change current practices in order to solve the problem/make improvements?

Who will do it?

Who are the community experts and leaders who can help us solve the problem/make improvements?

What is the timeline for completion –for goals to be accomplished?

Be as specific as possible – goals can be modified.

How and when will we monitor our progress toward our goals?

What will success look like?

What materials do we need to solve our problem/accomplish our goals?

Do we have them at school? Will we need any money? Where can we find donations?
