

ECO-ACTION TEAM PLANNING SHEET

School Year: _____

Use this sheet to organize your Eco-Action Team (Green Team). Fill in names, roles/tasks, and contact information for each person. **POTENTIAL ROLES:** committee/pathway leaders, auditors, fundraising, historian/photographers, secretary/evidence of sustainability, progress monitors, volunteer coordinator, publicity, etc. What's most important is that the team and roles work for your school.

STUDENTS drive National Wildlife Federation's Eco-School's USA program. It is their commitment to "go green", to conserving resources for healthy habitats and sustainable wildlife populations that make the biggest impact. Students should make up the largest component to your Eco-Action Team. The members listed below will add strength and integrity to the work the students are accomplishing.

REMINDER: Receiving an award from NWF’s Eco-Schools USA program requires several pieces of criteria to be met. One of those criteria relate to your Eco-Action Team/Green Team. To receive the Bronze award your Eco-Action Team must be comprised of students and teachers. To receive the Silver your team must be comprised of students, teachers, and community members and to receive the Green Flag the team must include teachers, community members, and school staff and students must makeup at least 50% of the team.
