

# BE A ROCK HOUND

Rocks are easy to find almost anywhere—and there's a lot to see when you look closely at them. Can you find some interesting ones in a place near you?  
Choose two of your favorites to draw and write about below.

Draw and color it.

Draw and color it.

Look at the rock with a magnifying glass.  
What do you see?

---

---

---

What kind of rock do you think it might be?  
Use a rock guide to help you, if you have one.
